Volunteer Program Application

Lynchburg's volunteer program gives citizens the opportunity to become actively involved with various activities in City government. The program is designed to increase citizen involvement in the day-to-day operations of your city's government. You can use your talents, learn new skills, organize, facilitate, teach and share. Who can volunteer? Just about anyone—professionals, retirees, craftspeople, secretaries or skilled laborers, college students, families, singles, and youth. You can volunteer as an individual or in a group. You can give a day, a week, a month, or longer.
